

# A Cause Worth Living For

WORDS & MUSIC: ANDREA MILLARES  
THEME SONG ASI SCANDINAVIA 2016

## **VERSE 1:**

Low morality, world in captivity, wars and flying bombs

Broken families, pain and agonies, fearful, angry souls

All these empty hearts, break the world apart, looking for a cause

Sickness and disease, tears that cannot cease, when shall all this end?

## **CHORUS:**

*This is the solemn cause we live for, it was given us by God*

*So raise your gospel light for Jesus, He will set the captives free*

## **VERSE 2:**

He can dry your tears, and remove your fears, heal a broken heart

Make your body whole, clean your mind and soul, give you perfect joy

## **CHORUS:**

*This is the solemn cause we live for, it was given us by God*

*So raise your gospel light for Jesus, He will set the captives free*

## **VERSE 3:**

Now the time is here, see our Lord is near, can you hear Him calling?

Angels flying high, shout the loud cry, soon the Lord will come!

## **CHORUS:**

*This is the solemn cause we live for, it was given us by God*

*So raise your gospel light for Jesus, He will set the captives free (X2)*
